University: Zhejiang Gongshang University

Education

September 2019~June 2023

School of Statistics and Mathematics,
Data Science and Big Data Technology
Zhang Naiqi College(Honor College),

Big Data in Business

September 2019~June 2023

- Grade: Compulsory courses (3.93/5.0), Optional courses (4.43/5.0), Score rank 3/67, Overall rank 1/67
- Core curriculum: Data Mining(98), Image Engineering(98), Probability Theory(98), Multivariate Statistical Analysis(96), Text Data Mining(NLP) (95)
- Other skills: CET 4 (574), CET 6 (497), National Computer Rank Examination Level II
- Honors & Awards: Provincial Government Scholarships, First-class Comprehensive Scholarship for Outstanding Student, Merit Student, Outstanding Student Leaders

Professional Experience(won 5 national awards, 7 provincial awards, and several university-level awards)

Laboratory Experience

October 2020 ~ PRESENT

EC Science and Technology Innovation Space of National E-commerce Virtual Simulation Experimental Teaching Center

SRTP in School November 2019 ~ May 2021

Cultivation and improvement of the mathematical innovation ability of universities' students

SRTP in School November 2019 ~ May 2021

Research on the Application Model of Internet Education Resources: Taking Hangzhou's Universities as an Example

Provincial and Ministerial SRP

July 2021 ~ PRESENT

Research on Credit Risk Measurement and Infection Mechanism of Enterprises in Big Data Environment/Core Member

Blended Learning

Massachusetts Institute of Technology Official Program

January 2022 ~ PRESENT

- April 2021, Meritorious Winner of The Interdisciplinary Contest in Modeling
- •May 2021, Second Prize of Zhejiang Province College Students "Challenge Cup" College Students Extracurricular Academic Science and Technology Works Competition
- •May 2022, First Prize of the 12th National University of the "CP Cup" Finals of the National College Students Market Research and Analysis Competition
- •October 2021, Provincial First Prize of the Contemporary Undergraduate Mathematical Contest in Modeling
- •January 2022, First Prize of the Asia and Pacific Mathematical Contest in Modeling
- •December 202, First Prize of the Zhejiang provincial Logistics Design Competition
- •August 2021, Third Prize of the "Huashu Cup" National College Students Mathematical Modeling Competition
- •December 2020, Third Prize of The Chinese Mathematics Competitions

Work Experience

Big Data Undergraduate Party Branch

Deputy Secretary

May 2021 ~ PRESENT

• Responsible for the daily work of the branch, including the development of party members, material review, etc. In the last student cadre assessment, the overall ranking was first, and the assessment level was excellent.

Extracurricular Activities

- November 2020, Third place in Zhejiang Provincial Collegiate Volleyball Championship
- May 2020, an Outstanding team of "return to visit the alma mater" Social Practice Activities
- May 2022, the cumulative volunteer hours exceeded 100 hours, and was awarded the title of Star Volunteer
